“ Thomas was the first person to reach out to us when we visited River Valley. His love for Jesus was evident immediately. He was filled with God’s Spirit and was always ready to give the reason for the hope that was in him. He was a fisher of men. We won’t know until we get to heaven the impact he had on bringing people into the kingdom.

Tom manifested his love for all of God's children in many ways. One of those ways was by volunteering his help at many different recreational sporting events. The Twin City Marathon, Cycle America, the Fit-Fest, and many different running, cycling, and multi-sport events. As a provider and founder of many of Minnesota's cycling and running events, I don't know of another person who helped out in as many events as Tom and his family. His Christ-like love touched the lives of countless people. His journey of life and faith was very unique. He is dearly missed by all that knew him and also by those that only knew him by his encouraging words as he handed them water at a pit-stop on their race. A TRUE SERVANT OF GOD!!
