Tribute Wall

“ I send my condolences to all the family and friends of Tom. I will always remember those eyes. If I had to name the color I'd call it "blue innocence", which kinda fits with his personality. He always wanted to make people laugh and was usually pretty successful at that. He was an ex of my one of my best friends, Deb S. So when I remember Tom I will always remember those blue eyes and a crazy smile and all the laughs that we shared. I know you're okay Tom you just moved on to the next step of your journey and we will meet again and laugh again. You were loved and you will be missed!!
