“ Dear Friends and Family of Thom,

*Thomas was a bright and shining light in our lives, bringing laughter, love, and joy wherever he went. His infectious smile and contagious laughter will forever be etched in our hearts.*

*Thomas had a special love for the sky and all its beauty, and it is fitting that we remember him with the symbol of a rainbow. Just as a rainbow appears after a storm, Thom brought color and hope into our lives, even on the darkest of days. He was always there to offer a comforting word, a listening ear, and a warm embrace.*

*We celebrate Thom's life by cherishing the memories we have of him and by continuing to spread the love and kindness that he embodied. Just as the colors of a rainbow are a testament to its beauty, the impact that Thom had on our lives will forever be a testament to the beauty of his soul.*

*May Thomas rest in peace and may his memory live on in the hearts of those he touched. May we find comfort in knowing that he is now looking down on us from the sky, his love and laughter still shining as brightly as ever.*

*With love and fond memories,*

*Chris Deutsch*

*PS, I chose to sing Over The Rainbow and I created slide show to accompany it. The video recording from Thom's memorial will always be available on my real estate Youtube channel.*
