“ Tom Hirsch was in the Morningside Grade School Class of 1954. Many of his classmates joined him as we moved on to Edina-Morningside Junior High and then Edina-Morningside High School. We then went our ways, but in 2002, Tom with a few other mates decided to call together the Class of 1954 for a reunion. After much effort of love, many of us were found and gathered. We felt again those friendships we had known; it was like no time had passed. Since that first reunion, we had many more, and now we stay in touch with monthly emails. Tom and Sonja hosted us classmates for a reunion in Scottsdale, AZ and again at their condo in Edina. And they both brought their wisdom and care to each gathering they attended. Tom's good nature and cheer is immortal. Love to both Tom and Sonja. Katherine Bridgman Ellgen and husband Paul
