“ My "Uncle Tom", it has been 20 years or more since I saw him, but I will always remember his smile. He was a life long friend of my father , Jesse, and very special to my family.

*I am sorry, he will be missed, and always remembered.*

*( Honorary) uncle TOM was a big part of my younger years he was like a brother to my dad a friend to both my parents .I haven't seen him in years but have meany memories of him as I was growing up. One year my dad and uncle Tom and two other buddy's went to the min state fair and won enough stuffed animals they filled our living room or so it seamed to a sleepy little girl. Some were as big as me : ) May Gods comfort be with his family . Theresa Craft Moore*

*This is hard. Tom was my friend for over fifty five years, I will miss him more than most. From the day we met, until I moved out of the state, we were together day and night. He was more than a friend, he was the brother I never had. My children even knew him as uncle Tom. My son Thomas carries his name proudly. We more or less raised each other, from childhood to manhood. Through all of the good and bad times, we shared a camaraderie, love and respect that true blood brother don't have. Thru the groups of friends we shared there are multitude of memories, fishing, ballgames and hunting, so many I will cherish for the rest of my life. I know how much his boys and his Deb met to him. Please accept my sincere sympathy. Love Jess*
