“ Although I'm not technically blood related to him, Grandpa Tom loved me all the same. He would sneak into the room slowly while I sang and played piano so he could listen without disturbing me. He would fill his house chock full of candy when we came to visit him at his old Minnesota lake house. He would do anything to make us smile because helping others is what he loved more than anything.

*Truthfully, I am devastated by this loss. The loss of someone who has watched you grow is the kind of earth shattering news that takes years to move on from. Still, at the end of the day, I can only feel happy that I had Grandpa Tom in my life at all. I was so lucky to have such a wonderful, giving, loving person around me, and that's what makes it so much harder to lose him.*

*I love you, Grandpa.*

“ *Little bit more on dad's life:*

*Thomas joined the Navy Reserves after graduating from Fridley High School in 1967, and made his career with Xcel Energy. He met his first wife Jan and had 2 daughters, Laura and Lisa. He then met his wife Rosemarie, who also worked for Xcel, and had a daughter, Rachel, and stepdaughter Kelli. A natural caretaker, Thomas spent many years caring for Rosemarie during her cancer treatments as well as his parents, Ed and Joan. After retiring in 2004, Thomas moved to his lake house in Aitkin, MN where he spent many peaceful days by the lake with Ed and Joan, and where he met his wife Nancy. In 2015, they relocated to Tucson, AZ where they enjoyed endless warm, sunny days. Thomas made the most of life and enjoyed lots of activities. The outdoors were his specialty - fishing, hunting, snowmobiling, golfing, 4wheeling, you name it! Sports cars was another love interest. Mustangs especially but anything that had a bite and a rumble! He also quite enjoyed Westerns and really embraced the Western way of life once relocating to Tucson.*
