“ To Rose and the whole Nowlan Family...My thoughts and prayers are with you all to give you strength to get through this difficult time. I have some very nice memories this past year and years past of the times we spent together with Tom and Rose and the family. Last summer at my Dads 80th party was very special. Tom seemed very happy and at peace. Then our Lobster Dinner this past fall we had lots of good laughs and memories. The funeral service was one of the most moving services I have ever been too. It was very special and sweet. Watching all of the grandkids put flowers in their Grandpa Nowlans' Casket, I couldnt hold back the tears: very touching. And the Indian Smudging Ceremony made it even more special. I do believe Tom is at peace and watching over all of you.Love, Diane

“ Please accept our deepest sympathies. The neighborhood is not going to be the same. We will miss Tom and how happy he always was to see friends and family, how he would always drive by and honk and wave on Lyndale, his joking around, his help with problems, and so much more. Goodbye to a family friend and a family member. Lynn & John

“ You will be missed by all. I will try to take care of your son for you, but wont be able to fill the void that you are leaving behind. My Girls Abbie and Izzy will really miss you, especially when they come to the house as you were the one to always take them to the park. You were GRANDPA and the only one they knew. They will miss you dearly. Love you
