Thomas "Tom" Phillippi

In Loving Memory

1960-2023

Our team lost a most valued player, Tom, age 63. He is now golfing on the Ultimate Fairway in heaven. Tom sunk his last putt on Wednesday, July 19, 2023. He is now reunited with his parents, family and friends, rousting a game of cards with those who passed before him.

Tom showed great sportsmanship in life. He was humble, kind, and caring. Tom showed us that in golf, as in life, it's the follow through that makes all the difference. Tom's legacy will live on in the hearts of his wife, Ann; children: Jason (Kati), Eric (Kayla); "The Fab 5" grandchildren; his 8 siblings: Don Phillippi, Barb (Dave) Johnson, Sandy Phillippi, Bob (Cindy) Phillippi, Deb (Mike) Wegner, Kathy Phillippi, Jean Phillippi and Greg (Terri) Phillippi; a large amazing extended family and wonderful friends. Please join us to share stories and celebrate Tom's life.

“ I am thinking of dear Tom as we approach two years since his unexpected passing.

*I miss him and think about him at least twice a week - usually more. His kind, loving presence and warm acceptance and engagement reach through the veil... and touch me once again - making me feel special and loved, as a friend.*

*Tom didn't necessarily put his arm around you and hug you, but his gentle demeanor and gentle teasing was his way of saying you mattered to him, and that you were valued.*

*I didn't know how many lives Tom had touched until I attended his memorial remembrance at Bunker Hills in August, 2023.*

*That was testament to the breadth of his love and embrace of each life he encountered.*

*I will carry him in my heart till my last day...*
