“ *Very few times in ones life does someone come along and leave a lasting mark, Tuck left that mark with me. I have known him through my work for many years but it never was ‘work’ with Tuck, it was an opportunity for us to meet and share some life. Tuck was genuine when he asked about my family, genuine in his concern for me after my son passed. Tuck was genuine and that gift he gave stays with me.*

Tuck was a very intelligent person I truly think he could solve anything with his mind or his hands. Certainly welcomed hard work as evident with his farm here on the Iron Range but his passion and caring for others is what spoke volumes. I can still here his voice and the confidence and belief it carried and then there was his ‘wink’.

Tuck talked about Orion’s Belt, that’s where I will find him. Betty, my most sincere sympathy to you and your family. I will hold on to his gift forever and will find his guidance on Orion.

Tuck, may you rest in His peace.
