“ Dear Sally and family. We are so sorry for your loss, and also for OUR loss. Tom wasn't just a neighbor, but a true friend. We have many memories of the things we did together that we can hang on to. He was at our house, sitting at the dining room table with Neil and Tom Arth just a week or so before he had to go to the hospital. All these memories are precious to us.

“ Dear Sally and family: I worked with Tom in the late eighties. As a food service manager, he would come into our kitchen and always tell me I should be serving Ox Tail Soup in the cafeteria, I would have people coming in from miles around. He was always encouraging me and teaching me recipe secrets I still use at home to this day. I am sorry to here of your lose. May God bless and strengthen you at this time.

“ We have been blessed to live next door to Tom and Sally for 20 years. Tom was always so friendly and willing to help out--from helping to chainsaw cottonwood trees in our yard our first summer here to chasing a woodchuck with his salmon net that had invaded our garden a few years ago. We can't imagine not seeing him in his beloved garden in the summers to come. Sally, our sincere condolences to you and your family. We will miss him.
