“ I would like to offer my deepest sympathy to you Kris and family. I met Tom in 1984 when I walked into his barber shop to make an appointment for a haircut. He cut my hair until the day he retired. Over that time we shared many stories and laughs. I was impressed by Tom's generosity and kindness. He touched a lot of lives and was very special. You are in my prayers.

“ Kris, thoughts and prayers are with you during this difficult time, and have been since the beginning of this difficult journey...Tom has been a dear friend since I first went to him back in the 70's at Apache Mall. He gave my son his first haircut kidding him about “the mouse” that lived in the ash tray built into barber chairs back then 😊 We still laugh about that today..He also gave my now 36 year old son his wedding haircut. My 2 brothers and several friends were also referred to Tom and enjoyed his great sense of humor friendship and unparalleled skills at what he did so very well! I have never known a harder working person.  
Tom was a special person and important part of most of my adult life. He will be dearly missed. I will forever cherish all the laughs and experiences that we shared.  
All the best possible 🙏🙏🙏
