“ *Trudy & I want to express our deepest sympathy to you and your family for your loss. We have know both of you for many years now and two of the boys have worked for me at times. Knew Tom well enough to know he was a great individual and we could joke around a little now and then and he always had a smile when I saw him. Peggy, you and your family will be in our prayers.*

“ *Our family would like to express our deepest sympathy. I was shocked Monday morning, when Tim called and informed me. "Stretch" was a wonderful friend through high school and college. As a roommate in college, he always had a positive attitude and took life very seriously. But at the same time, he was alot of fun to be around, and always had that smile on his face. It has been a couple years since I last talked to him. Never made it down to Coon Rapids to visit. Something I will regret the rest of my life. Peggy, I will keep you and your family in my prayers. And always cherish the good times we had together. May God bless you!*

“ I grew up and graduated with Tom from Grant-Deuel High School in Revillo, SD. I will always remember the great smile on Stretch as we use to call him. We had a lot of fun back in those days and Tom was always in the middle of it with the rest of us. I always knew he would be successful no matter what he tried to do. I am so saddened by his passing and am sending my sympathy to his wife and children.

“ Tom and Peggy are wonderful friends of Grand Lake and have done so much for their cabin on County Road 8. I suspect the love and care Tom and Peggy put into this cabin is a reflection of the love and care they had for each other and for family.

*In the past couple years, Tom has led the Grand Lake Area Association and was investigating the costs of permanent electronic speed signs along County Road 8 to make this road safer for the kids and residents of Grand Lake.*

*For those who were fortunate enough to know Tom, he was full of conversation, warmth, energy, and love for his wife and family. Our thoughts and prayers are with the Schulz family.*
