“ *It's hard to picture Gopher women's hockey games without Tom at Ridder or at our away games. We shared a joke as I checked him into our last Chalk Talk. It's a good memory to have. We will miss Tom. Linda Kenny, Power Play Club member*

“ *Heartfelt condolences to Tom's family from the Gopher Women's Hockey Power Play Club and the club Board of Directors. Tom was an active and valued member of our Board of Directors and an avid fan of Gopher Women's Hockey. He will be sorely missed.*

Thank you to Margaret for getting the sad news to us. Since sending the news to our board members and several of Tom's friends, I have received condolences and offers to contribute to the American Cancer Society memorial. At our next home series in two weeks I will collect monies from those who wish to contribute and make arrangements to get the memorials to Margaret.

Again our condolences.
