“ My first meeting was with Tom when in 1957 while working at Fred G Andersons on 50th street Tom came in our store and introduced himself. I remember his smile to this day and after a few years became an outside sales person and by that time they had moved to a new Building in Hopkins. I worked with Tom for many years as a source for Commerical wallcoverings. I always enjoyed working with Tom and agree with all that has been written about him, a real Gentleman to work with and was there to be a resource for him and his clients. it was fun working together he made everything easy. Kurt Schleicher formally with Fred G. Anderson's Paint and Wallcoverings.
