

Thomas Allen Weber

August 19, 1979 - February 19, 2022

Weber, Thomas A. Age 42, of Coon Rapids, passed away February 19, 2022, after experiencing a massive stroke. He is preceded in death by his grandparents and his best friend, Elmo. He is survived by his loving parents, George and Karin Weber; sister, Liz Richter; nephews, Chase and Owen Richter and his constant side kick, Bandit. Growing up Tom spent his time playing baseball, hockey and golf. He was always ready to "borrow" the Norwood Park warming house keys from his sister so that he and his friends could play boot hockey under the lights. Tom learned to hunt and fish from his Dad and Grandfather. He enjoyed his time in the great outdoors and later taking his nephews with on his adventures on the Mississippi River. Tom loved to research things so that he could help people be prepared and be the best they could in every endeavor. Whether it be golf lessons at the club, secret driving lessons in a Dodge Journey, finding the best musky lure for a particular lake or how to find the perfect cut of meat for a great steak dinner, he did it with a heart for helping. Tom's life ended way to soon and he will be missed by all that were touched by his light. A Celebration of Life will be held on March 6th from 2PM-5PM at Washburn- McReavy Coon Rapids Chapel. Washburn-McReavy.com Coon Rapids Chapel 763-767-1000 1827 Coon Rapids Blvd.

“ Tommy, to this day, you are the most kindest, thoughtful and romantic person I’ve dated. I’ve never felt more loved and appreciated. The two years we dated in our twenties, I was hopelessly, madly, and deeply in love with you. And there remains a part of my heart that will forever be suspended in that place with you. I lost contact with you after we stopped dating and it wasn’t until after your death that I discovered you’d grown into this other amazing person with exciting passions and skills I am in awe of. I wish I would’ve been able to meet you in this part of your life, to talk and know all of these great things you had going on in your life. If you had one struggle, that lead to other struggles, it was the extremely rare, kind, sensitive and empathetic nature of your soul. I think of you often and your sister does an amazing job of keeping your memory alive.
