PG

“ *Met this GEM of a man at his brothers celebration of life last year and he was so nice and a GREAT story teller of his life and all his adventures. Steve and I will miss him! We didn't get much time to start being active family members but at least we did get to meet him! He will be so missed!*

“ *Thomas was more like a big brother to me. He was the most considerate and loving person. We had a lot of fantastic time together. We'd go for coffee and just sit and talk. He was an amazing person. I will always remember all the great times we had together with my two kids when they were little. I sure will miss him.*
