Living each day as full as possible, he was usually able to give a thumbs up even on a bad day. He spoke his mind and told you how it was, especially when you weren't prepared for it. He loved playing video games, playing darts, doing math, looking at pictures of himself, watching cartoons, riding his Ninja Turtles bike (ringing his bell at every passersby), and meeting new people (especially pretty ladies). He loved to dance and listen to music and mostly slept best if his radio was on KS95 at night.
