“ *Tieler was a very industrious and curious young man. Working with him was an absolute pleasure. He was always asking the right questions, and he never had to ask the same thing twice. I always knew when I saw his name on my phone that I was about to have a great conversation. I'm heartbroken for his family first, his friends second, and myself a very distant third at his passing. Too soon.* ”

“ *Tieler was always kind, caring, and just a joy to spend time with. My Wife and I got married last fall and we were so glad we could have Tieler at our wedding. During the mother of the groom speech, my mom (Cheri) misspoke and referred to Brenna as "Tina". My mom quickly recovered by saying "Tina" was Tieler's girlfriend, which was a surprise to Tieler (and the rest of us who knew Tina didn't exist). He was such a good sport and went along with it to save my mom from embarrassment. This story is just one of the many reminders of the kind of guy Tieler was. We lost him too soon, but won't be forgotten by the many lives he touched.*

“ *Tieler would walk into the house and take immediate control of all things grilling. Dad would step aside and Tieler would perform his magic with unbelievable confidence and produce the perfect meal; every time. He loved doing this and it just came to him naturally. This is a video of Tielers 2023 Thanksgiving Brisket.*

“ *Tieler was so special- I've seen him grow from a middle schooler to an amazing young adult. He taught me so much even when he would not always agree with me. He welcomed me into his family with open arms. We had so much fun together, shared laughs, teased each other, shared his life milestones, experienced sorrow, traveled to many places, shared ideas, networked, set goals, and developed a special bond. I am blessed to have known him and he will also hold a special place in my heart. I will never forget him and I loved him like a son.*
