“ Tiffany used to be my daughters best friend. It has been a while since I have seen Tiffany, but there was a moment in life she was apart of ours. To lose a child must be a pain I don't even want to understand. I would like the family to know that you and your precious girl have not left my prayers since I heard what happen. God speed to you all. (Taylors mom)?

“ She was 6 years old and found out I was at her home downstairs in her dad's room, all I hear is her little feet running through the house, down the stairs and then around the corner she simply jumped, arms wide open like a bird so confident that I would catch her. Into my arms and I held her. 14 years later she still would lay in my lap as I held her. I am grateful to have been part of your beautiful life sweet angel. You will always be apart of me. Love you forever
