“ Tim was one of the first friends my wife and I met after moving to the Twin Cities a few years out of college 20+ years ago. We met as underwriters at Wells Fargo, but our friendship grew well beyond the workplace.

*Tim and I shared many of the same interests including our love of books, movies, Netflix series, sports, family and friends. Tim and Beckie graciously welcomed us into their circle of friends, including us in trips up north, holiday parties, game nights, 4th of July celebrations. Etc. Over the years, we also shared some of the common struggles many of us face as we go through changing stages of life.*

*I will always admire Tim for his intelligence, dedication to work and family, wit and wisdom, and will remember him for the bond we shared as coworkers, friends, fathers and husbands.*

*Beckie, Sophie, and the Bierman family, I am so sorry for your incredible loss. Tim will not be forgotten.*

*With love and gratitude,  
Dan Hower*
