October 13, 1957 - February 3, 2023

Timothy L. Bodin, age 65, of Bloomington, MN passed away peacefully in his home on Feb. 3rd, 2023. He is preceded in death by his father, Clifford Bodin, mother-in-law, Marilyn Cuccia, stepfather, Rod McKusick and best friend, Randy Speckmann. Tim went to technical college in Pipestone, MN to study Building Materials, Marketing & Management. He began his career in Sioux City, IA, working for Schoeneman Lumber. Many of his clients became his friends.

His adventurous spirit and love of the outdoors allowed him to travel, and to become a horseback rider, sailor, scuba diver, and skydiver. He was an avid gardener with a specialty in Dahlia growing. He was a lover of animals (rescuer of a few) and also a long-time member of the Pax Christi Catholic Community and a volunteer for the 'Let's Go Fishing' organization, both in Eden Prairie. Tim was an easy-going, kind and generous man with a great sense of humor. He will truly be missed.

“ Tim was my roommate for 3 years in Sioux City. In our early 20's. We attended Pipestone Vo-Tech together but never met until SC. I always knew him as Willis a nick name he picked up in SC. We had tremendous times together in the house he bought and I rented from. I remember him building his cedar canoe in the basement and it almost being too big to get outside. We had many memories with the canoe on area lakes and rivers. One trip in particular we put in on the Missouri about 15 miles north of SC planning on about a three hr trip and getting out at the marina. The river was much slower than expected and we arrived in Sioux City about 10 pm in the dark trying to manage around pleasure boats and commercial boats with no lights finally putting in on some commercial property and walking about 3 miles back to the car. I got to visit the family home and meet his parents, two brothers and a sister. We always talked about meeting up at the MPLS airport as I flew through it a few times each year and had a layover but never got it done. He was one of the only friends I stayed in contact with over the years via a Christmas card and an occasional Facebook comment. My heart goes out to Marie and the family. To me he was always a kind, humble soul. His early passing reminds us all to live for today. Mark Viergutz

“ Dear Marie,  
Donna Kasbohm and I were planning on attending Tim's funeral and singing with the choir. Unfortunately, because of the snowstorm, we are not able to be there. We send our condolences and pray that the comfort of family and friends and the blessings of memories will bring you comfort.

“ *Marie sorry to hear that Tim passed away last week. I am going to miss our phone conversations and the occasional afternoon lunch. Both our fathers worked and retired from Northwest Airlines and enjoyed retirement into their 80's. For many years Tim and I talked about saving and investing and building a nest egg large enough, so like our fathers we would also enjoy our years in retirement. I know Tim worked hard for many years and his nest egg grew to the point where he could enjoy a nice retirement, unfortunately cancer destroyed those dreams. Rest in peace Tim. Marie we are praying for you during this difficult time. I once asked Tim how he deals with his situation everyday and he said your support from the very first day in the doctor's office when he was given only days to live, you were there for him not days but years. God bless.*
