

Timothy Joseph Haugen

December 19, 1968 - February 18, 2026

Ham Lake, MN - Age 57 of Ham Lake, MN, formerly of Mpls., MN, passed away on February 18, 2026. Tim is survived by his mother, RoseAnn Beckman, stepfather, Wayne, his father, Terry Haugen, and stepmother, Lori. He is also survived by his sister, Alyssa (Haugen) Williamson, and his stepbrother, John Beckman, as well as many extended family members and friends.

Tim spent his life crafting joy in many forms. He began a successful business making handmade toys that sparked the imaginations of countless children. Later, he found fulfillment in the floral industry, where he shared beauty through his vibrant designs.

In his final chapter of life, while managing stage four cancer, with remarkable courage and grace, Tim found solace in nature. He dedicated his last years to creating a garden sanctuary for wildlife, filling it with sculptures he made himself. These creations, much like the rest of his life's work, are testaments to his enduring spirit of creativity.

A Celebration of Life to Honor Tim will take place on Sunday, May 17th, from 1:00 PM to 4:00 PM in Tim's gardens (Haugen Haven Wildlife Sanctuary) at 16041 University Ave. NE, Ham Lake, MN. Family, friends, and all whose lives Tim touched are invited to gather and pay tribute to his life and memory. The time will provide an opportunity to reflect on Tim's legacy and celebrate the joy, creativity, and beauty he brought into the world.
