“ *To the family of Timothy,*

*I have had the pleasure of working with Timothy on the Zumbrota Ford account for the past five years. He called and chewed me out more often than not! I never met Timothy in person, but worked closely with him each month and felt like I knew him both as a business professional and friend. Timothy will be missed. My sincere thoughts and prayers are with the family. Kelly Englerth, KAAL-TV, Rochester MN.*

“ We met Timothy over three years ago and what a very approachable and friendly gentleman. We were advance screenings movie goers. I had good conversations with Tim, kept him in our prayers, and my heart is so saddened. We know we all have to leave here one day. Absent from the body is present with The Lord and we will meet again.

Love,

“ I remember, in 1965 when I was with the Rave-Ons, I met Tim when we were playing at Mr. Luckys in Minneapolis. He was friendly, jovial, outgoing and had a real sense of wanting to be a part of the music community on the business side. I was impressed by his passion and his ambition to work with our band as a booking agent. He immediately made an impact, booking gigs for us all over the metro area. Later on, when I was with Crow, he had a HUGE impact on us getting a record contract. How does one say "Thank You" to a true friend? It was an honor to know and work with you Tim. The Twin Cities music community lost a good one. My condolences to his family. R.I.P. brother.

“ Oh Tim this is hard to write. You and I have been talking so much lately and I still have your voice mails from when I missed your calls. You were so positive, never complained and you were always asking about me when I called to see how you were doing. You had class Tim and it showed more than ever recently. I have known you for 42 years and admired your work ethic and honesty and you will truly be missed. Timothy D. Kehr... you are a Legend in your own field and please know you were loved and still are.

“ I had known Tim since 1975 and that he was sick for awhile. I spoke with him on the phone at Mayo on Sunday afternoon. He was the expert of knowledge in rock and roll. We will miss him. He was the most caring and giving friends one could have. Please pass on our condolences to his family and especially Nancy, who was always there for him.

*Tim always added the line when he did his TV serial series, continued next week. I am sure his services, good will, and friendship will be remembered forever.*
