Timothy A. McDonald, age 44, of Bloomington, Minnesota passed away on June 28th, 2019. Tim led a life of service to Jesus, his family, his country, and his communities. Growing up being a Jefferson Jaguars hockey player was a highlight of his life. He will always be proud of his 1992 and 1993 state tournament teams. His time at Gustavus Adolphus College helped shape who he was. Tim's love for others led him into emergency medicine and later to serve as a Blackhawk pilot in the US Army. Tim served two combat tours in Iraq and left the service to fulfill his dream as a medevac pilot. Tim was also an adventurer and entrepreneur. He pursued his MBA at Oklahoma State University. Tim is incredibly proud of his wife and four children. In all that God gave Tim in this life, his greatest joy was his family.

“ *In my 30 years of working at Gustavus, I can say that Tim was without a doubt one of the finest young men I got to know. My husband drove bus for the Gustavus hockey team so we got to know him well. I am at a loss of words for the sadness I am feeling. My deepest sympathy to Tim's family.*
