“ I got better acquainted with Tim & Deb on a recent pilgrimage to Israel after years of seeing him volunteering his time at OLOL church.

He was such a bright, upbeat spirit and always ready to help out. It was a pleasure chatting with him at our numerous dinners and outings during the awe inspiring spiritual pilgrimage.

We will miss him greatly and his presence at OLOL church, but know he will be with us in spirit. My deep condolences to Deb and his family.

So sorry this message comes late, but I was not aware of this posting until now.

God bless, Kristine Donatelle

“ *Tim was "all in" with what he did. His smile and attitude were infectious! I grieve for, and with, the entire Neeb clan as an "honorary" member. I could always count on Tim's vote, much like long ago I could count on him for the "pin" at the end of the meet. RIP "big brother" & friend.*

“ Timothy was a teammate at Bremer for my 30 years... but I considered him a better friend! After I retired, I would often run into Tim at plays in downtown and he always had a smile to share! Too young for sure! I pray that the many memories of Tim will help Debra and their family get through this trying time! Blessings to you all!

My interactions with Tim were limited throughout the years, but every time I spoke with him at a company function he was always so fun and jovial. So sad to hear of his passing and wish the family the very best as you work through this difficult time. So happy to have had the opportunity to know Tim!
