“ I am so very sorry to learn of Tim's passing. I sat next to Tim in many classes, including homeroom for four years, as our names were so close alphabetically. Later on, I became wonderful friends with Heidi when we worked together. Please know I am thinking of your family at this sad time.

“ Tim was such a nice, kind, smart and positive man. I didn't know him very well but my grandson, Derek Hoffman, spent a lot of time with Tim going fishing, talking and hanging out when he was age 6 through 9 years old. Derek is now 16 and when I told him about Tim's passing today he is very upset. As Derek says, Tim was like an uncle to him. He thought the world of him. He wants to come to the Celebration of Tim's wonderful life but not sure he will make it because he now lives in Moorhead, MN. Rest In Peace Tim.
Sincerely Derek and Rachel

“ Timmy, I will always remember your smile when we would drive up to Uncle Julie's to see you all. I will forever remember your smile when you came to Michigan to visit us. I will always remember how you loved to fish and would tease me if I didn't take the fish off the hook...I have always thought of you teasing me every time I take a fish off the hook for 30 years. Your smile, your laugh and the way that you would always brighten up a room... I'll never forget you and I hope that you can now rest easy and now be at peace.
I Love you Timmy! Love Kerri Jean
