“ She had the sweetest heart and kindest soul of anyone I've ever known. She gave without thought for herself and cared about everyone. She touched so many lives and those touched by her were left enriched. She was my world, the light in my life. I loved her and will miss her deeply.

Our sweet Tina was such a wonderful friend & next door neighbor to me. Always so thoughtful and giving of herself in my time of grief of losing my best friend 3 months ago in ways of a smile, hug or chat and many laughs or thoughtful gifts of butterflies that she would leave on my door. Not even thinking for a minute of what she was going through. And Lord knows our sweet Tina was going through a lot. She was so beautiful and her spirit shined, it radiated from the inside out. And how she loved her son so very much and my heart goes out to you young man and the rest of her family. My deepest condolences. The world just won't be quite as bright as it was without our sweet Tina.

Until we meet again...

Rest in peace, sweet Angel girl

Tina was an exceptional person, she cared about everyone. On of my favorite memories of her was, i was working on my car and i had the stereo turned up, and came over to my car and she said great music. We had that in common, we both loved music. My prayers go out to the family. She was a very kind hearted person. She would help anyone, just for the sake of helping. She will be greatly missed
