

Todd Olaf Lundman

April 28, 2025

In loving memory of Todd Olaf Lundman who passed away peacefully at home. His warm heart, love of life and dedication to his family will be deeply missed. He grew up in Orono, MN and spent wonderful times there with his cousins, family and friends. He enjoyed exploring Minnesota, from the Boundary Waters to Grand Marais. He traveled the world, visiting the Manor Homes of Ireland, the castle ruins of Europe and most recently the beauty of Luxembourg with his sons. His beloved Jackson Hole, the ocean beaches of Hawaii, and his time at the family cabin on the shores of Lake Superior were some of his most cherished memories. He attended art school and enjoyed painting landscapes. His artistic mind was always inspired by nature, his travels of the world and ancient architecture. He was an avid boater and found true happiness on the water with friends and family.

He was an active member of the Community Church. He had unconditional devotion to his family, friends, and lake communities, and touched the lives of many with his kindness. Todd's faith was powerful and he had a lifelong sense that learning is more important than knowing.

Survived by his wife, Anne; his sons, David and Matthew (Joann); siblings, Carolyn, Jeff, Lissy, Rebecca, and Sue; in-laws, Patty, Katie Belle & Franco, Susie & Fred, Rhonda, Tom & Kathy, John & Holly, Dr. Bob & JoAnn, MaryJane, Lucy, Betsy & Paul, and Terri & Jeff; and by numerous cousins,

nieces, nephews and friends.

Preceded in death by his parents, Helen and Gordon; his aunt, Olive; and his brother-in-law, Jim, forever in our hearts.

Todd's life will be celebrated by the family in a private gathering. May his memory be a blessing and a comfort. May you live this day, and every day, in fullness with grace.

On my first day of school, in sixth grade I sat down next to you on the Saga Hill school bus, I lived two doors down. You remained my oldest and dearest friend for 55 years, so many happy memories and discussions about art and music and life. I think of you everyday.

“ *Countless Days At Lundman Lodge shaping my adolescence memories. He was so fluid, artistic, humble and kind. Always up for a gathering and truly interested in deep conversation. I miss you brother - we will have to have our barbecue over there !! We will keep it going here - save me a good spot over there in the heavens. I will hang your drawing of my parents driveway pillars with Pride. So Substantial and priceless. Hugs.*
