“ Todd, what can I say that hasn't already been said? You were always there for me at MDH. For that, I am grateful. Your humor pushed us through many days when things were chaotic. We relied a lot on each other. Your friendship will last in my heart forever. Be good, dear friend. You left a lasting impression here on earth. I am certain, God and His angels are in good audience. Till we meet again...

“ So sorry to hear of Todd's passing. Todd and I were friends in junior and senior high. He had a mischievous, yet fun sense of humor that was complemented by his kindness towards others and loyal friendship. I can personally attest that he did not suffer bullies lightly and he had a balanced sense of right and wrong. I know his family and close friends will dearly miss him. Godspeed Todd.

“ Hello Laverne and family, I want you to know how Todd impacted my life, we go back quite a few years. We drank together and were sober together. We both worked for the State of MN, were union members and had pretty much the same political views. I listened to him while he was going through his fathers illness and he in turn helped me through my recent health scare. He always started our conversation with "Hi friend, how are you?". He called me 3 times last week and for that I am glad. I will miss him terribly and so hope he is at peace and knows how much so many of us loved him. He will always be a part of my prayers.

“ I didn't know Todd too well, but we talked some and he was a very genuine man with a great sense of humor. I know he was very good at his job and really surprised when he was promoted. I remember telling him to enjoy it he earned it! He talked fondly of his wife and was proud of her accomplishments also. My prayers to his family.

“ My heart goes out to the family and close friends of Todd Marty. Todd was an amazing person, who put his creative talents, work ethic and organization skills into everything he touched. I look around and everywhere are reminders of his work, he will be truly missed. He was the guy behind the scenes that keep our area running effectively and efficiently, and made our area look good. He always put his personal touch on his work that added value. It was really difficult to see him struggle this past year with on-going illness. I want to extend my prayers to his wife and family.
