

Todd Mayer

May 5, 1973 - June 15, 2024

Todd M. Mayer, 51, of Dayton MN passed away unexpectedly on June 15, 2024. Todd was a loving husband, father, son, brother, and friend.

Todd was born in Glencoe, MN to Jerry and Marge Mayer. Todd is the youngest of 4 children. He graduated from Glencoe High School and received a mechanical engineering degree from NDSU. He met his wife, Angie, while he initially attended Bemidji State before transferring to NDSU. They have been married for almost 25 years.

He was a talented mechanical engineer and inventor, had multiple patents and was always curious about how to solve a problem. He was also very funny and always had a crazy story to share. He was the most level-headed person, always willing to work with people and keep difficult conversations calm. People loved to work with him and loved to be around him. He loved to race cars, mow the lawn, and enjoy time at the lake with his family. He'd never turn down a steak or a great glass of wine.

His absolute greatest source of pride was his two daughters. They are intelligent, funny, and strong women. They also thought he was the funniest person ever and that's all he really needed.

He is preceded in death by his son Jonathan, his father Jerry Mayer and his

mother-in-law Joann Luukkonen. He is survived by his mother Marge Mayer, his wife Angie Mayer, his 2 daughters; Brenna Mayer and Ally Mayer, his siblings; Lisa (Gordon) Vart, Dan (Teri) Mayer, Jill (Brian) Skarsten, Father-in-law Roy Luukkonen, In-laws; JoLynn (Jeff) Davis, Matt (Jennifer) Luukkonen, his nieces and nephews; Cassidy, Mason, Aden, Georgia, Jackson, Dan, Samone, Brailee, Myracle, Evan, and Rylan.

In lieu of flowers, donations to the American Heart association are appreciated. <https://ahatribute.funraise.org/fundraiser/angie-mayer>

“ Todd was such an amazing friend and always so willing to help and support others. In 2004 I had the pleasure to work alongside him as a young engineer and Todd was always willing to help and didn't make me feel ashamed of my limited talent as a newcomer.

Over the years we kept in touch and ran into each other in various work situations. It was always a joy to connect with Todd.

When I started my own company, there were many times when I reached out to Todd's helping hand and advice. He was always there for me.

In this difficult time I wish these few words provide comfort to you dear family members. Todd had a positive impact on so many people in his life and will be missed.

“ *Our condolences to Angie, Brenna and Ally. Todd was a good natured neighbor that was fun to see pull into the drive at the cabin. I always enjoyed hearing about what was happening in the Mayer's adventures or for the rest of us ... life. He treasured his family and was so proud of his two daughters. He was one of the very few, I would ask for his opinion or advice on many mechanical issue. He was proud of his father, mother and siblings (as well as his in-laws). He enjoyed life and was not hesitant to pursue his "hunt" for fun and humor. He will be missed by this "Lake Neighbor" immensely.*

“ I've known Todd and Angie since our girls met in kindergarten. We quickly became friends as our girls grew closer together. When my husband was on active orders for the Army National Guard, I knew Todd was just a call away. Everyone needs a "Todd" in their life and I was blessed to have Todd M. Mayer in mine. RIP my friend, we're here to help your beautiful family the way you helped others.
