“ Todd often delivered packages to me at work, and he always brought them with joy and the announcement of "special delivery!" I miss his spirit already. We will miss him at Anoka-Ramsey. My sympathies to all his family and friends.

“ Uncle Todd, one of my favorite memories as a kid is going with Grampa Ed to watch you play hockey at Cook Arena. I'd run over with pride just to say hi whenever you were in the penalty box. A few years later, when you were playing for Northern Michigan University I was proud to wear your photo pin on my jacket and tell all the kids on the bus that you were my uncle. I'm so glad we all got to spend some time together these last couple months, but I'm also jealous of who you now get to spend time with up in heaven. ❤️

“ Chief, even though we lost contact over the years, I've never forgot about you and the good times that we had. Loved watching you on the ice against Anoka when the student section was chanting Morrissette!! Morrissette sucks!! Then you skated by and slyly gave them all the finger. Then proceeded to dominate on the ice. RIP big man!

“ Todd was a great high school friend and one of the best athletes I've ever known. Not too bad to have on your side during some of our memorable CR Rumbles either. Had my back more than once. You will be missed my friend. Rest in Peace.
