“ Lots of memories of you Todd over the years: Gave you a couple hair cuts. You always went for the socks when we played the dice game at Christmas. I called the news station to see about USS Kittyhawk & Russian Sub collision to here the reports when you were in the navy. You bought me the doll in the glass case from overseas. Way to many times at the cabin to list. It was great to see you and catch up at Stefanie and Kelli's weddings. You will be truly missed by so many, rest in peace.
