“ My precious cousin... we even shared a birthday. I am so sad to hear that she is gone. Her love for her children was ALWAYS a top priority and family was so important to her. We are praying for you all to have the comfort of the Holy Spirit and the peace only Jesus Christ provides. Our hearts are with you.

“ To the family I was so sorry to hear of your loss, I will keep your family in my prayers and thoughts. Tracey did love those around her and was never afraid to show it. Rest In Peace now, there is no more pain.
