“ *So sorry to hear of Trent's passing. Some of my fondest years and memories came during the early teenage years. Going to Hidden Valley Park playing boot hockey with Trent and than a few years later he was our stellar goalie on our Ghost Riders broomball team. I also have fond memories of cruising around with Trent after a snowstorm in his Bronco and helping people get their vehiclles unstuck from the snow.*

Trent is a good man and will be missed.

“ *I only have great memories of growing up with Trent. Even living 2 hours away from each other we spent many times together....Out at our Grandparents farm, visiting in New Hope or visiting me in Albert Lea, if we were together we were having fun...you can't put a price on that. It went much further than that but growing up would not have been the same without him.*
