“ Dear Friends and Family,
I am writing to share a tribute to our beloved Phil, who has sadly left us too soon. Phil was more than just a friend to me; he was a beacon of laughter and support during some of the most challenging moments of my life. No matter how great the distress, Phil had an uncanny ability to make me laugh, lifting my spirits when I needed it most.

Phil's unwavering support was a constant reminder of the true meaning of friendship. His courage in facing life's difficulties head-on, without losing his sense of humor, was truly inspiring. His generosity of spirit and his ability to find joy even in difficult times will forever be etched in my memory.

I will always picture Phil with little JoeJoe by his side, a testament to his caring nature and his love for those around him. Together, they were a symbol of loyalty and companionship, watching over each other and those they loved.

Phil's absence leaves a void that will be deeply felt by many. His laughter, his support, and his unwavering friendship were gifts to all who knew him.

Rest in peace, dear Phil. I will miss you more than words can express.

With deepest sympathy,
Lorraine Royal

“ *Phil was a joy to have in my life. We spend 20-plus years enjoying vacations and working on the house and our garden. What we loved most was working with animal rescues. Not only adoption rescues of our own but also helping other rescues find their forever homes. I will miss my best friend and the man who always had my back no matter what. He loved me, and I loved him. Denyse*
