“ Dawn,
Our hearts are heavy, we are so shocked and saddened.
I can hear his booming laughter in my head. We shall forever miss
you two pulling up to our dock and rocking away reminiscing about
the good old days.
We are with you in spirit and with you love and peace.
Love,
Lee & Tucky

I'm so very sorry about Troy's passing! Although I didn't really know him as an adult, I will always cherish the memories we had as kids. We were with our families on countless occasions throughout our younger years. Our families spent time at each others houses, picnics, parties, snowmobiling, and of course at the hunting shack in Squaw Lake. Our dad's were hunting buddies and great friends. I often think fondly of the many fun times we spent with Troy, Todd, Jim, Wanda, Willie, Gladys and April. Gone way too soon! My prayers and thoughts are with you all. Jana Hendrickson

“ *He was our little "Captain Crunch". He was the cutest little boy eating his Captain Crunch cereal all the time. I had not thought of that in years.*
