“ I met Tiffany when she bought the Donut Hut in Little Canada. I had already been working there a couple of years prior. I hadn't even been informed it was for sale so imagine my surprise and concern about my continued employment when a realtor came in with the future owner. Tiffany was a special lady, this stood out about her from the moment we met. She was kind, caring and so full of life. She was so young but already accomplished in life. She was an interpreter and venturing into business owner too. I admired her work ethic, she gave all she had into her new bakery despite some setbacks in the beginning like road construction, not being allowed to make the donuts at her new bakery. What should have been an exciting beginning for her as the new owner of Donut Hut was hit with obstacles from the start but she didn't let that get her down or hold her back. She was determined to keep the Donut Hut open and running as it had been for 35+ years already and she did just that. Bless her for keeping me on with a promotion and the years I worked for her were very happy years. She was an amazing boss who built a friendship with me as well. She was kind and compassionate, always fair, never bossy. She gave just as much respect as she expected. I truly enjoyed working for her as much as I did knowing her. It has been quite a long time now since I worked for her, but I remember her like it was just yesterday since I last saw her. She had a pure heart and a kind soul and she's someone who leaves an imprint on those who were Blessed enough to have known her. Just as she left her mark on this world. She may be gone from sight but she'll never leave our hearts. Rest In Peace Tiffany and Thank You for being a part of our lives, Your memory will never fade, it will live on. Bless You
