“ Tyko was an amazing woman who was one of the first to befriend me when I moved to the Sartell Area ten years ago. She was full of life and taught us all to make the very best of each day despite whatever challenge lies before us. Tyko... ..your smile and zest for life is contagious. You will be missed and have left an impression on all of us. Mike... ..my family extends our sympathy to you. I know you found true love and hope that this time is filled with warm memories despite the loneliness. We are here for you.
