

Tyler Miles Herman

October 1, 1995 - October 27, 2019

Herman, Tyler Miles

Age 24, born on October 1, 1995 in Burnsville, Minnesota. We learned of his passing on October 27, 2019. Tyler was given many nicknames by those who loved him: Ty, Ty-bo, Buddha, Shoebox, Shoelace.

Tyler was a graduate of Pease Academy, Class of 2014. He developed close community in his time there, and built precious friendships among his classmates. He later took classes at Minneapolis Community and Technical College. But his greatest gift was gnaring: Tyler was a skate rat. He was most at home on four wheels. His best friends shared this love for skateboarding. He spent immeasurable time at 3rd Lair Skatepark and skated for THE HESH.

Tyler was a hustler. He worked hard in the service industry. He was a barista at Caribou Coffee. He waited tables at Benihana. He bartended at Lucky Cricket, Seven Steakhouse Sushi, and Rojo Mexican Grill. He developed friendships among his coworkers. Many said he lit up a room: "You Were Always The Best Dood Bringing A Smile On An Entire Room When You Stepped In."

Tyler is preceded in death by grandfathers, Alen Herman, Gary Sander, and Jon Mattson. Survivors include parents Michael Herman and Diana Geller, as

well as stepparents Christine Herman and Jeff Geller. Tyler will be missed by his five siblings: Alexandra (26), Jacob (25), Alexander (19), Mariah (19), Avery (15), and Ella (13). Tyler's big, messy, loving family includes grandmothers Lois Herman, Marian Mattson, and Jane Hamre; uncles Jeffrey (Liba) Herman, Lee Herman, and Garrett (Arienne) Tanner; aunts Rolla Herman, Jennifer (Dan) Spiller, Deborah (Ed) Juda, Angela Ledo, Lynn (Rick) Harmon, and Marian (Chad) Sander; and so many cousins. Tyler's beloved companion was a mutt named Chapo.

Tyler: you died too young. We already miss you. May there be "plenty of gnar for you to shred in heaven."
