Tribute Wall

PM

“ *My deepest condolences to Nikki and the entire Miller family. I spent a lot of time at the Miller home in Kaukauna during my teenage years and have nothing but fond memories of hanging with Ted and Tyler. His passing at such a young age is hard to comprehend and leaves all of us a little less alive, but his memory and presence will always be a positive force in the lives of those who knew and loved him. Rest in peace little brother.*

Sorry for your loss. I knew Tyler and the Miller boys very well We all I skated together at riverside park for years We played a game called Palm .palm. Tyler was one of the hardest to catch. It was because of a Miller's I switched from figure skates to hockey's skates Rest in peace my friend
