“ Sorry for your loss. Val will be truly missed. Gary and I use to go to her house and a bunch of us would play cards. We played a lot of cards over the years. She would call me every so often to see how I was doing. We always talked to each other in May as both of our Birthdays were that month. I will miss her phone calls. My thoughts and prayers are with Kathy and Kevin and all of the Family. Marilyn Granger

“ Sorry for your loss. Auntie Val will be truly missed. She was always there to listen and give advice for me whenever I needed someone to talk to. I remember going over to her place with my mom and dad and playing with the marbles and games on the floor while they sat around playing cards. I will miss her very much. All my love David Granger
