“ Hello Liga,

My heartfelt sympathies to you and your family. I was a friend and co-worker of "Ole." We met many years ago when we worked for the City of St. Paul in the testing laboratory. My wife, at the time, and I met you on your wedding day and had such a good time at the reception. "Ole" and I would play with the frisbee at lunch time on the grassy median of Summit Avenue. He sure could throw that frisbee and I`m sure you miss him. He was a good and decent person.

Take special care,

Larry Baier
