“ *Bill and Diane,*  
*I am so sorry to hear about your mother's death. I wanted to pay my respects last week but was unable to make it. I do want to share with you that your mother was my first full-time employer when I graduated from college in 1964. We were headquartered on the second floor of Nolte Center and I was her receptionist-secretary. She was a good boss and her office was an interesting and busy place to work. When another secretary I knew became one of her counselors (Udine Drews) we all developed a long-lasting friendship over the years. After our retirements, there were yearly get togethers to celebrate your mom's birthdays at the Chanhassen Arboretum and lunches occasionally throughout the year, until Udine's death in 2009. I will always remember her zest for life, how she enjoyed volunteering, the pleasure and pride she took in her children, and her friendship.*
