“ *When Uncle Verlee, Aunt Luella and their family would come to visit us it was always a special time. Verlee was a kind, soft spoken and intelligent man.*

No doubt that Verlee is now playing his music to a larger audience with his beloved brother Bert (my Dad) in the front row with Jesus.

“ *Dear family & friends,
It was a sad day when I learned of Verlee's passing. Just last month we, the offspring of Bert Klimek, had the pleasure of Verlee's company at our family reunion. It was a wonderful visit. Verlee played his beloved concertina, played poker and reminded us of forgotten family history. I was in awe of his mind. His clarity of family history was nothing short of amazing.*

To the family, I am very sorry for your loss. I remember Verlee was always a very kind and decent man. He will no doubt be missed.

May Verlee always be with you in your thoughts and may he rest in peace in the presence of God's love.
