Aunt Nettie as holiday season is here I would always anticipate your Christmas letter about your year of travels and meeting new family members. I am so grateful for the work you did on the genealogy book, we will keep up with it in your memory. I remember when I was little and would always ask my Grandma Hertha why is she so tall and you are so short. I Love You and Will Miss You. You were the greatest!!!!

Aunt Nettie, Since it is holiday time, as I put up my tree this year, I will cherish all of those Christmas ornaments you made for me through out the years. I love them all. I will tell the story I have told many times, You always seemed like such a giant to me when i was little,,,that thought always makes me smile
