“ Dear Severson Family, Vern was always one for optimism. He was good at getting himself out of a pickle jar. He always had an ear for me and my troubles. I missed him, over the years I would drive by the house and think of the trouble we would get into. Memories! let them reign. See yah later Vern!

“ Although it has been some 30 years plus since I last seen Vern the memories of going roller skating together are like it was yesterday.
R. I. P. Vern and God Bless you and your family!
