“ To the Family of Veronica Pasek, I'm sorry to hear of your recent loss. My feeble words won't fill the emptiness, but I will say that as a nephew of Joe and Veronica's I have many pleasant memories in my mind that linger still, of when I spent a few days in St. Louis Park, sleeping over and spending time with the Pasek Kids, and hearing the sweet tone of Veronica's voice, feeling the kindness she always offered, and the fantastic cooking. I treasure the memories. So, though we can't bring our loved ones back, we can still hold onto all the pleasant memories that they were a part of. Our thoughts and prayers are with you all.

“ *Cherry and Family. I am very sorry to hear of your loss. This is a very difficult time as you experience the loss and this will be the first sorrow where she is not with you. May it bring comfort in knowing that she has gone to be with her creator in a much better place. Please know that we are all thinking and praying for you in this difficult time. May God bless you and your family in these coming days. .*
