“ Aunt Versie Lee was a remarkable woman, whenever she came to Flint, MI and I knew about it, I made it appoint to visit her. She gave the warmest hugs and always talked about my Mom and Dad, the Late Lois and Jesse Brock. The kindness and thoughtfulness she expressed will always be appreciated and remembered. May the beautiful memories she shared continue to live within us all. I pray that God Keep us all closer in his loving arms during this difficult time and give us strength to carry on, in Jesus name I pray, Amen.
Prayerfully submitted, Carolyn Brock and Darryl Stone, Flint MI
