“ Dear Ron,

I am so sorry for your loss. I worked with Vicki at Neometrics. She was the sweetest and most straight to the point woman I have ever met. I loved that about her. Vicki and I hit it off right away. I always told her how much she reminded me of my own mother I had lost a few years earlier, which she found as a great complement. Vicki trained me in the packaging area at neometrics before she had to retire and everyone told me how picky I was "just like Vicki." I always took that as a great compliment just to be compared to her. I was trained by the best. The way she talked about you (Ron) reassured me that true love does really exist

Vicki will always and forever hold a very special place in my heart.

*Love you Vicki you are dearly missed.

“ Ron-We are so sorry to hear of Vicki's passing, she was a spit fire and so fun to be around! Our daughter Shannon still talks about the first time she met Vicki in the BT, Vicki told her how pretty she was and that she sure looked like her Mother but had boobs like her Father!!! We laughed so hard, for she never mixed words! We pray for peace and comfort for all of you and will cherish our memories. With our love and friendship-Lori and Tom Vilstrup

Dear Ron I was saddened to receive a call from Marcia Skytte to tell me of Vicki's death.
I remember working on the line and Vicki would be behind the line stocking for us as we filled trays. I remember how fun and funny Vicki was. She was nice and always smiling and it was a pleasure to work with her. She had a Sassy kind of personality and beautiful red hair to go with it.
I remember that Vicki Jan and Marcia along with myself and some others always sat at the same lunch table.
I was about 20 years old when I started there. I remember many fun times after Union Meetings when Vicki and all of us would go to the local bar to have a drink or 2 or 3. When I look back on those years I just remember Vicki and you and so many other people that worked with us at Northrup King. I pray that you find peace and comfort in the years that you spent together and memories of happier times you both spent together. In some ways those were some of the best days of my life. We were young and just had fun when we could. Lots of very wonderful decent people including you. I pray that God will be with you and the rest of the family as you go through the difficult days ahead.
God Bless You
