“ Sitting in a ice shack for days or in a boat from dusk to dawn you would think we would run out of things to talk about, but we never did. I will forever miss our fishing trips but most of all I will miss our talks about fishing, hunting, cars, music, and family.
Thanks for the memories Vic.

“ Vic was the kind of guy who was there when you needed him. My truck was acting up about a year ago and so I stopped by his place and he was more than willing to take a look. He will be missed by all.
